BOMBAY, India, Nov. 3.—The Nizam of Hyderabad, which is the largest state in India, has issued a manifesto declaring that India will stand by the British. #### THREE BRITISH CRUISERS IN BATTLE WITH FIVE GERMANS

[Associated Press by Commercial Pacific Cable]

VALPARAISO, CHILE, NOV. 3.—THE GERMAN ARMORED CRUISERS GNEISENAU AND SCHARNHORST AND SMALL CRUISERS NURNBERG, LEIPZIG AND DRESDEN HAVE DEFEATED THE BRITISH WARSHIPS OFF CORONEL, CHILE.

THE BRITISH ARMORED CRUISER MONMOUTH HAS BEEN SUNK, AND THE CRUISER GOODHOPE WHEN LAST SEEN WAS AFIRE AND IS SUPPOSED TO BE LOST. THE SECOND CLASS CRUISER GLASGOW HAS TAKEN REFUGE AT CORONEL.

THE SCHARNHORST, NURNBERG AND GNEISENAU HAVE ANCHORED AT VALPARAISO UNINJURED. THE OTHERS ARE NOT MENTIONED.

THE BRITISH CRUISERS WERE REPORTED SOME WEEKS AGO COMING THROUGH THE STRAITS OF MAGELLAN, SUPPOSEDLY TO PATROL THE PACIFIC.

The naval battle reported today takes rank with the most important engagement of the war to date, and in some respects will be hailed as perhaps the most important sea victory up to the present time.

The British cruisers came into the Pacific several weeks ago, about the time the Leipzig was reported off the South American coast.

Today's news is the first definite information Honolulu has had for some time of the Nurnberg, whose movements have been followed with great interest ever since the night the little cruiser slipped out of this port on an unknown mission. The Scharnhorst and the Gneisenau are the cruisers that bombarded Papeete. The Leipzig is well known in Honolulu from a visit here a number of months ago. She was reported to be in Hawaiian waters.

#### Arrest of Geier Officers Protested; Cruiser Must Leave Here or Intern

[Associated Press by Commercial Pacific Cable.]

WASHINGTON, D. C., Nov. 3.—The state department has notified the Japanese embassy here that the German cruiser Geier has been given a specified time in which to intern or leave the port of Honolulu. The time limit, however, is not announced.

The local Japanese consulate expressed no surprise this morning when informed by the Star-Bulletin of the contents of the foregoing despatch from Washington. Such an action on the part of the United States government relative to the movements of the Geier, said the consul-general, was expected by him to shortly be forthcoming.

The consul-general had no comment to offer regarding the action, saying that he has no authority to make any statement.

In reply to a query, the consul-general stated that the Japanese battleships Hizen and Asama expect to remain off the port of Honolulu indefinitely. He has received information, he added, that the vessels soon are to be reinforced by other Japanese battleships which belong to the same squadron as the Hizen and the Asama. The state department's action was intimated in an Associated Press despatch last night from Washington, which said:

"Believed repairs to the Geier have progressed to such point commander must elect to run the gauntlet of the Japanese or intern."

Georg Rodelik, German consul, said this morning that there was nothing to give out regarding the Geier.

#### Germans Protest Geier Arrests

[Associated Press Service by Federal Wireless.]

SAN FRANCISCO, Cal., Nov. 3.—The Germans who left the Geier in Honolulu and were arrested on the Kure as they reached San Francisco yesterday are Lieutenants Pretzell and Sauerbreck, Chief Gunner Streiber and one petty officer. The German consul has protested to Washington against the action of the state department in ordering the men placed under arrest. They claim to be on furlough and not deserters. They are now kept aboard the cruiser Cleveland.

SYDNEY, N. S. W., Nov. 3.—Australia has placed a stringent embargo upon the exportation of coal, meat and wool except to the mother country.

#### EPISCOPALIANS ARE OPPOSED TO 'BILLY' SUNDAY

Churches of Denomination Decline to Aid in Campaign to Bring Him Here

The Episcopal churches of Honolulu have declined to enter into the movement commenced by the Inter-Church Federation to bring "Billy" Sunday, the noted evangelist, to this city next year.

This information was contained in a letter from Bishop Henry Bond Restarick to Rev. A. A. Ebersole, pastor of Central Union church, which was read at a meeting of the council of the Inter-Church Federation at 1 o'clock this afternoon. The council withheld the letter from publication.

In spite of the withdrawal of the Episcopal churches the members of the council decided that they would carry out the movement as originally planned, and which was unanimously voted in favor of at a recent mass-meeting of the congregations of the local English-speaking Protestant churches.

A report as to the feasibility of bringing Mr. Sunday to Honolulu was read by W. A. Bowen and approved, following which Chairman James Wakefield, Mr. Bowen and R. H. Trent were appointed a committee to draft an invitation to the noted evangelist, which will be forwarded to him in Denver, Colo., on tomorrow's mail.

Later, it is planned to appoint an executive committee to make arrangements for the local campaign, which Mr. Sunday will conduct, and to raise the funds with which to engineer it.

#### MANOA-OAKLAND COLLISION TOLD BY A PASSENGER

Capt. Weeden's Courage and Coolness Is Praised By Those on Steamer

The Manoa sailed from San Francisco at 5 o'clock last Tuesday afternoon. As the steamer passed through the Golden Gate a dense fog settled down. The fog horn began to blow at intervals of about a minute. Fog being so often met off the coast no one paid any particular attention to it and soon after 8 o'clock most of the passengers were in the diningroom. By 7 o'clock dinner was over and the passengers scattered about the ship in

#### LARGE VOTE IS POLLED EARLY TODAY

No Apparent Excitement But the Interest Fought General in Both Districts

MANY FIRMS CLOSE UP REGARDLESS OF DECREE

But Two "Slates" Noticeable, With Bourbons and G. O. P. Each Claiming Victory

In quietness, general interest and fairly heavy early voting today's election has appeared almost a replica of the primary of last September. A canvass of the polling places throughout the fourth and fifth districts by the Star-Bulletin discovered no undue excitement, but a generally large interest, with the average number of ballots polled running about equal to that of the primary. In one or two precincts, notably the first and fourth of the fourth, both of which contain large electorates, nearly half the possible vote had been cast before noon.

The votes were handled easily by the officials as rapidly as they were cast, and without exception there was no confusion. So far as could be ascertained every polling place had one that at Kaimuki—opened promptly at 8 o'clock, and at the latter place the booths were ready for business 15 minutes after the hour. The delay at that point was due to the largeness of the chairman of the election board, who did not discover until he was ready to open the booth that he had not obtained the key from Secretary Thayer. An automobile was hastily requisitioned and a hurried trip made to the capitol building, while a crowd of considerable proportion stood around patiently waiting for a quarter of an hour.

Just two "slates" were conspicuous
